

Proof of Entitlement

Production FairCom DB Server License

Date: Wednesday, June 7, 2023

Company/Distributor: RSA S.a.s. Di Capizzi F., Furnari & C.

Order #: -

This Proof of Entitlement document, together with a paid invoice and license agreement, is evidence of your authorized use of the FairCom technology described below. Any use of FairCom technology is subject to the terms of the appropriate shrink-wrap license agreement accompanying the software or signed agreement between FairCom and your company.

Version: 12

Serial #: 89400217

License Validity: Perpetual

Configuration: Enterprise Edition - No Replication

Platform: Windows

CPUs: 2

Connections: 32

Accompanying this Proof of Entitlement document is a license authorization file for the serial number shown above. The license authorization file will be named "ctsrvr89400217.lic". To properly activate the FairCom DB Server, this file must be placed in the same directory as the server. Each license authorization file is allowed to be used on a single computer.

Contact FairCom regarding upgrades to support additional CPUs, users, or connections.
